

Easter Eggs, Naturally

1. For every dozen eggs, mix 1 quart water and dye ingredients in medium pot

2. Bring to a boil, simmer 30 min, strain into jars, stir in 1 tbsp vinegar for every cup water

3. Drop a boiled egg into the jar, let soak until colored

BEET DYE FOR PINK

Simmer 4 cups chopped beets 30 min, strain, add vinegar, soak eggs for at least 30 min

ONION SKINS FOR RUST

Simmer the skins from 12 yellow onions for 30 min, strain, add vinegar, soak eggs for at least 30 min or overnight in the fridge for brighter eggs

TURMERIC FOR YELLOW

Simmer 3 tbsp turmeric in boiling water until dissolved, let cool, add vinegar, and soak eggs for at least 20 min. Tip: Wear gloves

COFFEE FOR BROWN

Skip the water and pre-cooking the eggs, and boil eggs in 1 qt strong coffee mixed with 2 tbsp vinegar for 30 min

BLUEBERRIES FOR SLATE BLUE

Simmer 4 cups blueberries for 30 min, strain, mix in vinegar, and soak eggs for at least 30 min.

RED CABBAGE FOR BLUE

Simmer 3 cups chopped cabbage for 30 min, strain, mix in vinegar, and soak eggs for at least 30 minutes

GREEN

Dye eggs in turmeric solution as above, then dip in blueberry solution
